

The Savannah Area Genealogical Association was founded in 1983. It's goal is to help people with their genealogy research and help "put flesh on the bones" of those family history facts! Meetings are held every fourth Monday of the month, except December (we have a Christmas Party). We meet at 10:30 a.m., in the John Knox Room of First Presbyterian Church, at 520 E. Washington Ave (corner of Washington Ave. and Paulsen St.- entrance is on the Washington Ave. side; and the building is handicap-accessible). Meetings are free and open to the public. Members who join SAGA receive a six-page digital newsletter every month (except December). Dues are \$25.00 for the year. Each meeting features a speaker (or, sometimes, an online/tech-delivered program) that addresses genealogy research and/or a history-based program. Individual research questions will be answered for a guest or member, and/or research techniques and sources can be recommended. If you have questions about SAGA, please address them to SAGA President Carol S. Thompson at (912) 925-7919 home; (912) 398-5668 cell; email address Lcsthompson@bellsouth.net
